

## COMMERCIAL INTELLIGENCE.

Hongkong, Monday Evening.

A large business has been done to day in Bengal Drugs, both for cash and on credit. The market opened this morning from Chinese and English Pounds for Pounds Sterling, advancing immediately to \$640 and \$631 respectively. Some speculative sales were made on time of 11th sales (Pounds at \$633 and \$640) and the market closed at \$640 and \$631. The speculative demand for a further advance of 10 per cent. was established by sales on time to the extent of above 200 cheirs at \$645 and 20 cheirs at \$641. The dealers keeping quite out of the market and underwriting a small amount of small sales of Bengal Drugs, however, was effected at \$642.10 generally in the section established, and the market of speculators had been quite quiet. The market closed at \$640 and \$631, the 11th sales (Pounds at \$632 and \$640) were entered at the market and closed at \$641 and \$631, at which figures a considerable number of dealers changed hands, and in the afternoon the market was more sedate and buyers at \$642 on cash terms at \$640. 25 cheirs were placed on cash terms at \$640.
